

# PressurePro Machine Protector Advance 1 RM 110

Scale inhibitor for hot water high-pressure cleaners with integral corrosion protection, especially for use in new HDS units with System Care option. The System Care Advance 1 RM 110 ASF formula offers improved protection against limescale deposits on heater coils (up to 150 °C) and provides integral corrosion protection for components in contact with water.

NTA-free

## Properties

- Comprehensive protection and care for hot water high-pressure cleaners
- Specially for devices with system care adaptation
- Effectively protects the heating coil from calcifying
- Tensides biodegradable in accordance with EEC 648/2004
- Rapidly separates oil/water in the oil separator (easy to separate=asf)
- Free of phosphates
- NTA free

## Areas:

**Machine protector:** Machine maintenance, limescale protection

## Application

- Hot water high-pressure cleaners

pH

Part number

1 l

6.295-625.0

**Application:****Hot water high-pressure cleaners**

- Set the dosage according to the water hardness (done by service technician).

**Directions for use:**

- Store away from frost.
- Use only acid-proof spray units for application.

**Further information:**

- Material Safety Data Sheet (MSDS)

**Dosage and yield:**

Content:	Cleaning method:	Primary mixture:	Dosage:	Contamination:	Productivity:
1000 ml	Hot water high-pressure cleaners		6 ml/°dH m <sup>3</sup>		8300 l
