Xpert machines are compatible
with a wide range of Kärcher
accessories*

* Xpert Adaptor Required

Converts your Xpert machine to
accept this range of accessories shown

Foam detergent bottle - applies
detergent foam to achieve a
deeper clean

Dirtblaster nozzle - dramatically
increases power for shifting
tough dirt

Hard surface cleaner - cleans
flat surfaces quickly and evenly
including patios

Vario lance - allows quick and
easy power adjustment

Wash brush - agitates your
detergent for a more thorough
clean

Drain cleaning kit - ideal for
clearing domestic drains
and pipes
