

Brush soft

For simple installation on telescopic lances or high-pressure lances from Kärcher: brush with soft bristles for deep cleaning of sensitive surfaces such as glass or solar systems.

1 Easy-to-understand colour coding

- The colour coding facilitates the selection of the appropriate brush.

2 Versatile fields of application

- Integrated high-pressure nozzle for using the brush with a high-pressure cleaner.
- Incl. 2 nozzles and 1 connection piece for use with pure water.

Brush soft
