

Roller brush 500 hard

Hard brush attachment for use with hydraulic drive (4.762-584.0). For rough façades, stone and wooden patios. Safe and easy quick-change system.

1 Streak-free cleaning close to the edge

- Bristles at the side as damping protection and for cleaning close to the edge.
- Streak-free cleaning results thanks to diagonal bristles in the middle of the brush.

2 Intuitive colour coding

- Colour coding facilitates the selection of the appropriate brush attachment.

3 Quick-change mechanism

- Quick brush replacement for simple adaptation to the cleaning task.
