

## Roller brush 500 soft

Soft brush attachment for use with hydraulic drive (4.762-584.0). Ideal for glass and solar power installation cleaning. Easy quick-change system and secure mounting on drive.

### 1 Streak-free cleaning close to the edge

- Bristles at the side as damping protection and for cleaning close to the edge.
- Streak-free cleaning results thanks to diagonal bristles in the middle of the brush.

### 2 Intuitive colour coding

- Colour coding facilitates the selection of the appropriate brush attachment.

### 3 Quick-change mechanism

- Quick brush replacement for simple adaptation to the cleaning task.
